Some French sex appeal courtesy of Olivia Drouot

Meet our new entry of the day, French hottie and model Olivia Drouot. One quick image search will prove this babe is totally sexy and worthy of our attention, but in the meantime feel free to enjoy as she prances about in some skin revealing lingerie outfits from Panache and their latest collection. I've always loved French: the language, the babes, the kissing.. What more can I say?

Well, here it is: this babe's got me hooked. Her blue eyes are totally mesmerizing, as are her sexy body-lines and naughty attitude. She was born February 8th, 1983 in Nîmes, France. She is perfect, as you can easily see and totally hot; luckily, she's surrounded by cooling fans, although I'm not sure they're able to cool this one off. The question is, would we want them to? I don't think so!

Olivia Drouot has been traveling under the radar, but I'm sure she deserves better than that. It has always been said that beauty is in the eye of the beholder, so tell me.. what does you eye think? How about your brain? Just forget about everything and enjoy! P.S. Let's just hope she returns shortly.
